

Says

What have we heard them say?
What can we imagine them saying?

This project may create a nice warm impact upon affected users and be aware of the problems clearly.

Some people may find solutions through our project.

New subscribers will be benefitted more as they can be awared through this.

They will stop falling into unecessary content.

They will share the right information through this session.

This helps to priortize important things in everyones life.

Does

What behavior have we observed?
What can we imagine them doing?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

It helps subscribers to differentiate right from wrong in using youtube and accessing videos.

it aims to prevent people from falling into fradulent traps that youtube media create.

It allows us to recheck our present days (to be productive). It makes us to reminiscence of our early days

They feel relieved after knowing these solutions.

They will use confidently without fear of traps.

They will learn the ill effects of cyberbullying and feel bad about it thereby they will advise known users not involve in these things.

Feels

What are their fears, frustrations, and anxieties?
What other feelings might influence their behavior?
